WELCOME – Mayor Corroon

Mayor Corroon welcomed members of the Expanded COG which includes all Mayors in SL County and the members of the Salt Lake County Council.

LOCAL CORRIDOR PRESERVATION UPDATE - Barbara Thomas

Barbara presented an overall expenditure list of funds from the Local Transportation Corridor Preservation Fund. As of July, the fund had \$9,932,962. \$5,051,353.59 has been spent, leaving an available amount of \$4,881,608,441.

Cities were encouraged to utilize the fund for corridor preservation in their cities.

SELECT LTCPF PRIORITY LIST

Barbara presented the Salt Lake County portion of the Regional Transportation Plan for the Expanded COG to consider in choosing what projects should go on the corridor preservation project list. The list was merely a suggestion as the Expanded COG can select any transportation corridor projects desired. After discussion, it was suggested that we recommend to the County Council the projects on the 2007-2030 RTP list, excluding the MVC and freeways and including Big and Little Cottonwood roads.

Because there was not a quorum of the County Council present, Mayor Crane made the MOTION, seconded by Councilman Jensen, that the amended list be presented to the Council for ratification at their next meeting. The motion passed unanimously.

Mayor Cullimore made the MOTION, seconded by Mayor Newton, that the Expanded COG be adjourned. The motion passed unanimously.
