Wasatch Front Regional Council Staff

WASATCH FRONT REGIONAL COUNCIL

July, 2006

Staff Vision Statement

The Wasatch Front Regional Council staff is a dedicated group of professionals committed to developing creative, visionary plans in cooperation with local, regional and national partners, helping to achieve the highest possible quality of life for the residents of the Wasatch Front Region.

Staff Mission Statement

The Wasatch Front Regional Council staff, in partnership with UDOT, UTA, and other stakeholders, is committed to serve the region by providing leadership in engaging the public, the business community, and elected and other officials in addressing complex regional transportation and growth-related concerns utilizing the best technical information and analysis. The staff is committed to developing insightful long and short range transportation plans and other products that are comprehensive, defensible, innovative, and sensitive to the environment of the region and that will enable quality growth and quality of life enrichment.
