

**SALT LAKE AREA TRANSPORTATION TECHNICAL ADVISORY COMMITTEE (TAC)**

**March 28, 2012**

**2:30 pm – 4:00 am, West Valley Cultural Arts Center**

**MEETING SUMMARY**

<b>AGENDA ITEM</b>	<b>DISCUSSION</b>	<b>ACTION</b>
<b>1. Meeting Summary</b>	The meeting was conducted by Shane Greenwood, the Salt Lake TAC Chair. Meeting summary for the SL TransCom TAC Feb 29, 2012 was presented for approval.	Approved
<b>2. Review &amp; Recommend STP Projects</b>	<p>Ben distributed spreadsheets comparing the projects requesting STP funds. He reviewed the presentation of the submitted STP projects which totaled more than \$147 million and explained that the annual apportionments for the STP funds are projected to be approximately \$16,500,000 through the year 2018 in the Salt Lake Area. Due to programming conservatively in prior years and project cost savings, there is an estimated \$21,700,000 available for programming in the year 2018.</p> <p>After reviewing the projects and answering questions, Ben presented the WFRC staff recommendation explaining that this recommendation would over program the STP program by about \$800,000 in anticipation of future project cost savings. After discussing each project recommendation, a motion was made recommending the following projects to Trans Com with the funding amounts shown:</p> <ul style="list-style-type: none"> <li>• Redwood Rd from 4445 S to 4700 S (\$2.8M)</li> <li>• 1300 E from 1300 S to 2100 S (\$5.0M)</li> <li>• Porter Rockwell 0.4 miles south from 550 West (\$3.7M)</li> <li>• 4700 S from 4000 W to 5600 W (\$7.4M)</li> <li>• Highland Dr and 14400 S intersection (\$1.7M)</li> <li>• Bangarter Hwy at 200 W intersection (\$0.884M)</li> <li>• Universtiy of Utah electric busway (\$0.665M)</li> </ul>	Approved
<b>3. Review &amp; Recommend CMAQ Projects</b>	<p>Kip Billings of WFRC reviewed the list of projects that were submitted for CMAQ funding. A total of 20 CMAQ projects were submitted with an estimated total cost of \$27.5M. There is an estimated \$4.6M available in the Salt Lake Urban Area CMAQ funds in the year 2018.</p> <p>Kip reviewed the CMAQ projects and distributed a spreadsheet showing their scores based on pollutant emissions reduced per \$1,000 spent. After discussing the submitted projects, the committee voted to recommend these projects with the funding amounts shown:</p> <ul style="list-style-type: none"> <li>• Vanpool Management (\$0.2M)</li> <li>• Rideshare (\$0.085M)</li> <li>• Travelwise (\$0.391M)</li> <li>• UTA Bus Communications (\$1.2M) changed to (\$0.5M)</li> <li>• West Jordan Light Rail Ped/ Bike Trail (\$0.3M)</li> <li>• I-215 ramp meters (\$2.4M) changed to (\$0.924M)</li> <li>• </li> </ul> <p>A few TAC members expressed concern that a significant portion of the CMAQ funds were devoted to “administrative” (non-capital) type projects</p>	Approved

	<p>and that limited amounts of the CMAQ funds were available to the cities for capital improvement projects to address congestion and reduce emissions. A motion was made to modify the staff recommendation by reducing to \$0.5M the UTA bus communications project, reducing the I-215 ramp meter project to \$0.9M, and adding the following:</p> <ul style="list-style-type: none"> <li>• 9000 S 4000 W intersection (\$0.75M)</li> <li>• Bengal Blvd 2700 E intersection (\$1.0M)</li> <li>• 7800 S 1300 W intersection (\$0.45M)</li> </ul>	
<b>4. TIP Schedule</b>	<p>Ben Wuthrich of WFRC concluded the presentation with a brief recap of the TIP process to be addressed in upcoming TAC meetings. The STP and CMAQ disbursements described above will next be reviewed by the COG and Trans Com.</p> <ul style="list-style-type: none"> <li>• May – Draft TIP to TAC</li> <li>• Jun – Present TIP to Trans Com for Public Review and Comment</li> <li>• Jul – Public Comment</li> <li>• Aug – Review comments with TAC and Present TIP and comments to WFRC for review and approval</li> </ul>	Information
<b>5. Other Business</b>	Thanks to South Salt Lake City for refreshments.	Information
<b>6. Next Meeting</b>	<p>May 30, 2012</p> <p>Refreshments – Taylorsville City</p>	Information

# Attendance Roll

## Salt Lake Technical Advisory Committee

Date 28 March, 2012
